

# AbilityOne Congressional Champions

**Becoming an AbilityOne® Congressional Champion may be the most important step a Member of Congress can take toward effective representation of their constituents who are blind or have significant disabilities.** The AbilityOne Program provides employment opportunities through Federal contracts for approximately 36,000 people who are blind or have significant disabilities. Despite years of effort, 63 percent of this population do not have jobs. Hundreds of Members of Congress have historically become AbilityOne Champions. Join the 140 current Members of Congress by becoming an AbilityOne Champion today.

## Every AbilityOne Congressional Champion completes a four-step process:

1. Meet with representatives from an AbilityOne agency at the member's district or Washington, D.C. office.

3. Support the Javits-Wagner-O'Day Act by using AbilityOne products or services in the member's district or Washington, D.C. office.

2. Tour an AbilityOne agency's manufacturing or service contract site(s).

4. Voice support for the AbilityOne Program through a public communication, such as a press conference statement, Congressional Record statement, social media post, or a similar communication.

SourceAmerica® and National Industries for the Blind (NIB) established the AbilityOne® Congressional Champions Program in 2002 to honor Representatives and Senators who have demonstrated a commitment to their constituents with disabilities and to the AbilityOne Program.

If you have questions, please contact the SourceAmerica Government Affairs Department at [Advocacy@SourceAmerica.org](mailto:Advocacy@SourceAmerica.org).
